

ANKARA UNIVERSITY
INSTITUTE OF NUCLEAR SCIENCES
NUCLEAR ENERGY JOINT THESIS MASTER'S PROGRAM (ENGLISH)
2021-2022 ACADEMIC YEAR SPRING SEMESTER STUDENTS ADMISSION
ANNOUNCEMENT

Joint Universities: Ankara University Institute of Nuclear Sciences (Turkey) and National Technical University of Ukraine "Igor Sikorsky Kyiv Polytechnic Institute" (KPI) (Ukraine)

Aim of the program: To give high level education on Nuclear Energy. Graduate students receive separate diplomas from each university and a joint diploma. The language of the program is English. The students will also have Russian language education within the scope of the Scientific Preparatory Program.

The stakeholders of this program are only "Ankara University Institute of Nuclear Sciences" and "National Technical University of Ukraine is Igor Sikorsky Kyiv Polytechnic Institute". There is no authorization to organization on behalf of Ankara University Institute of Nuclear Sciences.

For those who pass the proficiency exam after completing the scientific preparatory program:

Within the scope of the Nuclear Energy (English) Joint Master Program, the student pays the tuition fee to university at which he/she is enrolled at that semester.

Registration fee that Turkish students will pay to Ankara University: 300 TL

Registration fee that foreign students will pay to Ankara University: 3000 USD

Annual fee that Turkish and foreign students will pay to KPI can be reached from the following link:

<https://istudent.kpi.ua/vstup/cenovaya-politika.html>

Important Dates:

Application dates: 15-25 January 2022

Exam Dates: 26 January-02 February 2022

Final Registration Date: (To be made to the Institute of Nuclear Sciences in person or with a notarized power of attorney): **07-09 February 2022**

(Applications must be made online at <https://obs.ankara.edu.tr:98/ogrenci/yonetim/enstitubasvuru.aspx>, together with the form and the following documents, to the Institute of Nuclear Sciences between the application dates in person or with a notarized power of attorney.)

ANKARA UNIVERSITY							
INSTITUTE OF NUCLEAR SCIENCES
